

# Antiracist Reading List

In uncertain times we have always found wisdom in books and courage from our authors. Recent events have highlighted the need for all of us to do better. To paraphrase Angela Davis, it's not enough to be "not racist"

**we must be antiracist.** We hope the resources on this page can teach, inspire, and strengthen.

This list is not exhaustive, but it's a place to start. We look forward to **learning, listening, and growing** alongside you.
